8.8 Community Engagement / Awareness

- Collingwood Downtown Parking Study
 - Link: <https://engage.collingwood.ca/projects/downtown-parking-study>
 - The study will include a data collection and analysis exercise, a review of local policies, procedures, and practices, and engagement with residents, businesses, and visitors. This Parking Study will help ensure there are convenient parking options so residents can easily access shops, restaurants, and services in town, and assist in understanding parking patterns, which helps improve safety for drivers, cyclists, and pedestrians.
 - Community feedback is a key part of the parking study and will help shape future parking policies. Please fill out the survey below to ensure your feedback is captured in this important Study.
