Dear The Corporation of the Town of Collingwood,

On behalf of Special Olympics Ontario, I would like to personally thank you for your very generous donation in the amount of \$18676.34. Your contribution to our organization will help make a significant difference in the lives of those with intellectual disabilities.

Special Olympics' mandate is to promote respect, acceptance, inclusion, and human dignity for people with intellectual disabilities. Participating in sport programs gives athletes the opportunity to make friends, to be involved in engaging activities, and to build confidence and self-esteem as they see what they are capable of. It also promotes a healthy lifestyle; Special Olympics provides nutrition and lifestyle training and various health screenings for its participants.

Special Olympics is more than just sports. We are a leader in programs that result in enhanced well-being and quality of life for participants, as well as their families. As a generous donor, take pride in what we have accomplished - **without you nothing would be possible!**

I would like to invite you to enjoy our 2024 Interactive Impact Report, and share in the successes that your generous support is helping to make possible. It can be viewed at [soontar.io/impact-report](https://soontar.io/impact-report).

Thank you again for your continuous support.

Yours sincerely,

A handwritten signature in black ink that reads "Cody Jansma".
