**Sal Greco Application to Serve as Councillor**

To: Collingwood Mayor and Council

Please accept my candidacy as a councillor for the vacant position.

I have tremendous interest in seeing the town grow and being a leader in the Georgian Bay area.

I have a long history of contributions to the town including serving on Town Council for many years in the seventies and eighties, experience serving on the Police, Fire, Planning, Conservation Public Works, Recreation Boards and and events.

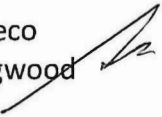

I am a positive and aggressive thinker and follow Municipal, Provincial and Federal political activities,

Currently, I am a volunteer on the St, Vincent Food Bank that serves the town. I am actively a volunteer at St. Mary's Church.

I am a team player and i believe I can contribute to Council and our community.

I appreciate your consideration of my interest and candidacy.

RE: Mr Sal Greco

---

I have known Sal Greco for more than 15 years in various aspects of life and in several volunteer positions.

Mr Greco is a dedicated individual, who works hard in all his endeavours. When he assumes a position, he rises above expectations. I have never known him to let anyone or any position down. He is a tireless worker, giving more than is expected of him. It has been a pleasure to work beside him, and a learning experience to see the amount of hard work and effort this man can bring to any position.

In the past he worked for Collingwood Council, and has that experience to add to his portfolio.

Sincerely
