### Clerk Services

Town of Collingwood

Dear Clerk Services,

Please accept this letter of interest and copy of my resume as application for the vacant position of Councillor in the Town of Collingwood.

I have been a resident of Collingwood for 21 years and am the most proud town ambassador.

I feel it is part of my daily responsibility to contribute to the culture and welcoming nature of this community which so many folks value in Collingwood.

I have a career that is focused on being a member of a high performing team with focus on leadership with principals, collaborative work with steadfast achievement of goals and high value contribution to the bottom line. I understand what it is to perform under pressure with grace. I know my experience and character will be an asset to this position and look forward to being able to contribute to the town that I love in such a meaningful way.

I am able to speak to a high level room with confidence to convey complex ideas and achieve the desired outcome while developing sincere relationships.

I am able to evaluate projects for value and contribution and accept or decline while maintaining partnerships.

I am professional, calm, purposeful, passionate, respectful and determined.

My experience in negotiating business, participating in projects from conception to completion and future planning will be an asset to this team.

On a personal note, my family is deeply involved in Collingwood. Our 3 kids are involved in Collingwood hockey. My partner Ian works for a local engineering firm and my mom is a member of Probus.

We have 3 homes in different areas of town which shows our investment in Collingwood and interest in seeing our community grow and flourish.

We are avid hikers and enjoy all the small town charm Collingwood has to offer such as restaurants, community events and support for other residents. Collingwood is our most loved home and we plan to be here for the rest of our lives. That is why I have such genuine interest in this role and being able to be a part of the team who shapes our community.

I so look forward to the opportunity,

Sincerely,

Michelle White
