16	On Hold		Corporate Business Continuity	A business continuity plan (BCP) is a document that consists of the critical information an organization needs to continue operating during an unplanned event. The BCP states the essential functions of the business, identifies which systems and processes must be sustained, and details how to maintain them.	Budget - Capital	Low	FIRE	Fire	Fire & Rescue
17	FY26 Q2	On Hold	Tremont Square Electrical Upgrades	Tremont Square is an identified location for community events and gatherings in the heart of the arts and culture district. It is currently limited in electrical services to support event staging, sound, lighting, vendors, etc. This project will bring electrical service to the east exterior wall of the Library to support event staging in Tremont Square.	Budget - Capital	Low	PRC CULTURE & EVENTS	Parks Recreation & Culture	
18	FY26 Q2	Not Started	High Street Road Reconstruction Tenth Street to Poplar Sideroad - Design, Land and Utility relocates	Design of road reconstruction and utility relocations, and land acquisition	Budget - Capital	Medium	INFRASTRUCTURE PROJECTS	Infrastructure	Roads & Active Transportation;#Waste water;#Stormwater Management;#Water Treatment & Distribution
19	FY28 Q1	Not Started	High Street Road Reconstruction Tenth Street to Poplar Sideroad - Construction			Low	INFRASTRUCTURE PROJECTS	Infrastructure	Stormwater Management;#Wastewater;#Water Treatment & Distribution;#Roads & Active Transportation
20	FY26 Q4	Not Started	Sixth Street Watermain and Road Reconstruction - Phase 1 construction	Construction of Phase 1	Budget - Capital	Low	INFRASTRUCTURE PROJECTS	Infrastructure	Growth Planning;#Wastewater;#Stormwater Management;#Roads & Active Transportation;#Water Treatment & Distribution
21	FY26 Q4	Not Started	PRC Master Plan Update	Full PRC Master Plan update in 2026	Department Initiated	Medium	PRC ADMIN	Parks Recreation & Culture	Growth Planning
22	FY26 Q4	Not Started	2026 Implementation of Corporate Climate Action Plan	Implementation from 2023-2030 Plan update in 2028.	Department Initiated	Low	F&F	Customer and Corporate Services	Climate Change Action
23	FY26 Q4	Not Started	Harbourview Park Birch St Boat Launch	engineer review of existing conditions and recommend upgrades to existing boat launch	Budget - Capital	Medium	PRC PARKS	Parks Recreation & Culture	

Item #	End Quart	Status	Short Title	Item (Long Title or Full Resolution)	Source	Corporate Priority	Lead Division	Department	Service(s)
24	FY26 Q2	On Hold	Harbour St Watermain - Construction	Extension of dead end watermain on Harbour St through Georgian Trail to Tenth Line to improve water quality and distribution system pressures.	Department Initiated	Medium	WATER	Infrastructure	Source (Drinking) Water Protection;#Water Treatment & Distribution
25	FY26 Q2	On Hold	WWTP Expansion & Outfall - EA	Environmental Assessment for an expansion and upgrade to the WWTP and outfall. Outfall currently terminates in the harbour area (near shore, shallow waters) and can cause restrictions during peak flow events, potentially leading to sewer backups. WWTP will need to be expanded to achieve development and growth plans for the Town (currently operating at approximately 74% of available treatment capacity).	Budget - Capital	Medium	WASTEWATER	Infrastructure	Wastewater
26	FY28 Q1	On Hold	WWTP Outfall - Design & Tender	Design, obtain approvals and tender a new WWTP outfall. Outfall currently terminates in the harbour area (near shore, shallow waters) and can cause restrictions during peak flow events, potentially leading to sewer backups.	Budget - Capital	High	WASTEWATER	Infrastructure	
27	FY28 Q4	On Hold	WWTP Expansion - Design & Construction	Design and tendering of an expansion and upgrade to the WWTP outfall. Outfall currently terminates in the harbour area (near shore, shallow waters) and can cause restrictions during peak flow events, potentially leading to sewer backups.	Budget - Capital	High	WASTEWATER	Infrastructure	
28	FY29 Q2	On Hold	WWTP Expansion - Design & Tender	Design, obtain approvals and tender an expansion and upgrade to the WWTP. WWTP will need to be expanded to achieve development and growth plans for the Town (currently operating at approximately 74% of available treatment capacity).	Budget - Capital	High	WASTEWATER	Infrastructure	
29	FY26 Q4	Not Started	Chart of Accounts Review and Update		Department Initiated	Low	FINANCE	Finance	
30	FY28 Q3	In Progress	WTP Intake - Municipal Class EA	Existing intake pipe and structure for the water treatment plant is over 50 years old, and at approximately 70% of its useful life. Climate change concerns including changing water quality/temperature, changing lake levels, blue green algae, and frazil ice suggest a new intake should be located further from shore and into deeper waters to help ensure reliability of the Town's water supply. A second intake structure and pipe will provide redundancy to the existing aging intake, improve system resilience, and ensure adequate flows can be supplied to meet future water demands.	Budget - Capital	Medium	WATER	Infrastructure	Source (Drinking) Water Protection;#Water Treatment & Distribution

Item #	End Quart	Status	Short Title	Item (Long Title or Full Resolution)	Source	Corporate Priority	Lead Division	Department	Service(s)
31	FY26 Q4	On Hold	WWTP Blower Replacements - Design & Tender	Replace two of three existing blowers and associated electrical. Existing asset is aging, inefficient and becoming obsolete. Replacement will improve plant efficiency and reduce electrical operating costs. Engineering assignment will include securing government grant funding based on energy audit findings.	Budget - Capital	Medium	WASTEWATER	Infrastructure	Wastewater
32	FY26 Q4	In Progress	Hurontario Street Reconstruction - Design & Tender	<p>DC Background Study #6, 56, 86% DC eligible costs</p> <p>The arterial road improvements to the 780 m section of Hurontario Street from Hume Street to Collins Street will consist of constructing a continuous Centre turn lane throughout to better serve the abutting street connections. The improvements will include satisfying the requirements of a 3 lane urban road cross section. The benefit to existing is based on removing and replacing the existing asphalt along its current alignment.</p> <p>This project also consists of replacing the Hurontario Street sewer from Lockhart Road to Collins Street. The Hurontario trunk sewer will provide sewage conveyance capacity for servicing developments in the south end of Collingwood. The costing was based on installation of a 375mm diameter sewer and full road reconstruction.</p> <p>Also upgrade watermain from Hume to Sixth and cycling facility connectivity from sixth to Hume.</p>	Budget - Capital	Medium	INFRASTRUCTURE PROJECTS	Infrastructure	Roads & Active Transportation
33	FY26 Q4	Not Started	Economic Development Action Plan Update	Update the EDAP to ensure actions are reflective of current environment and objectives are being met.	Department Initiated	Medium	EC DEV	Planning, Building and Ec. Dev	Economic Development
34	FY26 Q2	In Progress	Review of Automatic Walk Signals	<p>November 20, 2023 - Council</p> <p>THAT Staff look into the notion of converting all traffic signals to include automatic walk signalization verses the on-demand feature;</p> <p>AND THAT Staff report back to Council on the consistent operation of advanced green lights.</p> <p>AND THAT Staff consider the advanced timing of the walk signal.</p> <p>AND THAT Staff report back to Council with a phased in approach of the review of all traffic signals.</p>	Council - Resolution	Low	INFRASTRUCTURE GROWTH & DEVELOPMENT	Infrastructure	Growth Planning;#Roads & Active Transportation
35	FY26 Q4	Not Started	Fisher Field lights on field #3	add lights on Fisher field #2 existing poles to provide light for field #3 to provide more facility hours for soccer/rugby		Low	PRC PARKS	Parks Recreation & Culture	

Item #	End Quart	Status	Short Title	Item (Long Title or Full Resolution)	Source	Corporate Priority	Lead Division	Department	Service(s)
